Govt Books Resolutions etc.

We are not getting all the Resolutions etc of the G-of.I. immediately on publication even the Gazette contains only some. Further important G. of I. publications like the Reports of Committees Quinquennial & annual Edn & Cooperation Reports and Rushbrook Williams Annual publication can be got only long after they are received in the newspapers.

Best to secure their prompt supply is put up for consideration.

It is not known if any annual subscription or other payment on account (as in the case of Govt orders) will be required. If such payment is necessary, the Resd will doubtless intimate the same.

Sir,

RoC 450

14th October 1920

The Durbar are organising an Official Intelligence Bureau in the Secretariat and are in need of the various resolutions of public interest, and also publications issued by the Government of India, as early as possible after their publication. With this object, among others, the Durbar are getting the full edition of the Gazette of India but that does not contain all Resolutions, publications and communiques reviewed in the Newspaper press. I am therefore directed to request ~~that~~ the favour of your kindly moving the Government of India to authorise the supply to the Durbar direct to the marginally-noted address of a copy of each Resolution, Communiqué or other publication (Books, Pamphlets, etc) issued by the Government of India immediately on their publication. The Durbar hope that there will be no difficulty about issuing such a general instruction to the Superintendent, Government Printing, India and to the Publicity Section of the Government of India Secretariats.
